TROY's Security Resources *Working to Protect It All*

DATE: October 19, 2016

LOCATION: Civic Room at Trojan Dining - Troy, AL.

TIME: 2:00 p.m. - 3:30 p.m.

VISIT the Civic Room at Trojan Dining to explore the vast array of protective services available from TROY IT.

DISCUSS your security or regulatory concerns with CyberSecurity experts, **DISCOVER** how to foster a more secure computing environment at **TROY**, and, in general.

THE TOOLS THAT WILL BE DISCUSSED INCLUDE: Cylance, McAfee, QRadar, IPD/IPS, BitLocker, SOS, Impulse, SiteAdviser, MS WSUS, FrontDoor and others.

If you'd like to review the tools that work to protect you, and, how to better employ those tools, drop by and meet one of our CyberSecurity experts.
